EDUCATION

Education encompasses teaching and learning specific skills and also something less tangible but more profound- the imparting of knowledge, positive judgment and well developed wisdom. At MPHSS, We encourage learning through the three distinct modes of learning namely:

- **Kinesthetic-** learning based on practical experience and by engaging in activities.
- **Visual** – learning based on observation.

Auditory – learning based on listening to information being discussed.

“It is a firm belief that what we want is to see the child in pursuit of knowledge and not knowledge in pursuit of the child”

ADMISSION PROCEDURE

The new students should complete the admission form and submit to the school along with two copies of recent passport photos. The entrance test as well as interview will be conducted to admit the new students. The new students should admit only once and old students do not need to readmit but should pay yearly charges.

EXTRA AND CO-CURRICULAR ACTIVITIES

“A sound body leads to a sound mind”-keeping this in mind, activities such as volleyball, T.T, debate, spellings contest, art, essay, poem and quiz contest, badminton, carrom, chess, high jump and long jump, music, dance and speech are incorporated as a part of the curriculum in order to provide a broad and balanced education. In a continued quest to impart practical education, Manasalu strives in training and exposing young minds through educational tours, cultural tours, leadership programmes, creative workshops and so on and so forth.
