Dear, friends.

I'm so happy while writing this short and sweet letter for you. I am fine here and my family also fine too. I hope you friends are also fine too. I hope you friends are also fine there. I always go to school. My study also going well.

I think I am so lucky that I have friends like you who always support and care of us. Thank you so much for being friend and support us. I have sent my photos with this letter. OK. See you next time.

Sincerely yours.

Ashmita Guungo
